Dear Rod,

It's hard to believe it has already been over a year since you left us to take command of the OKLAHOMA CITY. Sorry I won't be there to attend your change of command ceremony but my sources tell me there is a good possibility you may be back in Washington before too long. I recall telling you last August to enjoy being at sea again--and also that it wouldn't last long!

Look forward to seeing you when you get back.  
All the best.

Yours,

STANSFIELD TURNER
